

FLAMES DAMAGE OFFICE BUILDING

General Offices of N. and W. at
Roanoke Fall Prey to
Fire.

[Special to The Times-Dispatch.]
ROANOKE, VA., February 10.—The Norfolk and Western general office building was damaged to the extent of about \$40,000 by fire, and papers of inestimable value destroyed this evening. The fire started in the attic shortly after 6 o'clock. Most of the books had been removed. The fire burned through into the main department, which occupied the sixth floor, and gutted that. The fifth floor, occupied by the auditor of accounts next, but the firemen arrested the progress of the flames at this point.

Every floor of the building was badly damaged by water. General Manager Maher estimates the loss at between \$40,000 and \$50,000. Three young men in the claim department had a narrow escape from being burned to death.

Harry Bodow and Hill Crockett attempted to stop the flames with extinguishers, and barely managed to reach the fire escape. Horace Littlefield was cut off from the escape, and the fire department having no ladder that could reach him, the smoke forcing him to the window, he bravely walked along the coping and slid down the storm water pipe.

The damaged building occupied the site of the first office building, which was destroyed by fire on July 9, 1895. Chief Engineer C. C. Church, wired John P. Pettyjohn, of Lynchburg, to come to Roanoke to-morrow morning to undertake repairs, as it is intended to be a rush job.

NEW NEWSPAPER.

Emporia Is Soon to Have Independent Semi-Weekly.
EMPORIA, VA., February 10.—Emporia will have a new newspaper within the next sixty days. At a meeting of prominent North Emporia citizens, held last night at the Virginia Hotel, the organization was perfected, and the stock subscribed for the enterprise.

The newspaper will be known as "The Independent," and it will be published twice weekly. The entire printing of the new publication will be done in Emporia, and this is the intention of the promoters of the plan to make it second to no weekly news disseminator in the State.

All of the machinery for equipping an up-to-date job and printing office will be new and of the latest model. The plant will be run by motor power, and will be located in the central part of the town.

As the name suggests, the paper will have no policy other than a square deal for all comers, and will be independent in affairs politically, religiously and otherwise, but always striving for the permanent uplift of Emporia, Greensville county and the State at large.

The first edition of The Independent will make its appearance upon the streets of Emporia on or before April 1. The officers elected last night at the organization meeting were: President, W. W. Green, Richmond and Emporia; Vice-president, C. E. Johnson, North Emporia; Secretary-treasurer, Charles H. Schell, North Emporia; business manager, R. H. Hammond, North Emporia. The directors will be composed of W. H. Cato, C. M. Baynard, J. W. Parker, C. F. Johnson, W. W. Green, Charles H. Schell and Judge W. C. Goodwyn, Emporia. The editor of The Independent will be an old newspaper man, who has been a resident of Emporia for a number of years.

Damaged by Wind.
[Special to The Times-Dispatch.]
WAKEFIELD, VA., February 10.—The wind, blowing a furious gale, at an early hour this morning damaged several pieces of property in Wakefield. R. H. Hargrave's house had a large tree, and the roof porch of E. W. Scarborough's house was damaged, and half of his yard fence demolished by the falling of a tree four feet in diameter, which, fortunately, stood far enough away from the house to escape the full force of the blow. J. W. Rowell's livery stable was partly unroofed, and a number of awnings and signs were blown down.

[Special to The Times-Dispatch.]

S.S.S. FOR SORES AND ULCERS

The combination of healthful vegetable ingredients of which S. S. S. is composed, makes it an especially desirable and effective remedy in the treatment of sores and ulcers of every kind. Since an impure condition of the blood is responsible for the trouble, a medicine that can purify the blood is the only hope of a successful cure; and it should be a medicine that not only cleanses the circulation, but one that at the same time restores the blood to its normal, rich, nutritive condition. S. S. S. is just such a remedy. It is made entirely of healing, cleansing vegetable properties, extracted from nature's roots, herbs and barks of the forest and fields. It has long been recognized as the greatest of all blood purifiers, possessing the qualities necessary to remove every impurity in the blood. When S. S. S. has purified the circulation, and strengthened and enriched it, sores and ulcers heal readily and surely, because they are no longer fed and kept open by a continual discharge into them of irritating disease-laden matter from the blood. S. S. S. brings about a healthy condition of the flesh by supplying it with rich, nourishing blood and makes a permanent and lasting cure. Book on Sores and Ulcers and any medical advice mailed free to all who write.

Miss Edwards Bestows Hand on New County of Moseley Will
One Who Had Also Been Not Be Created at This
Jilted. Session.

[Special to The Times-Dispatch.]
SUFFOLK, VA., February 10.—Changing her mind on her wedding eve, after being engaged to wed John Reed, Miss Mamie Edwards, daughter of Chapin Edwards, of Isle of Wight county, eloped last night at midnight with Thomas Harris, a young farmer, of Giles county. The elopement was being issued. After train trips on two railroads, with a long cross-country drive at either end, Harris and Miss Edwards were married to-day at Gatesville, N. C., thirty miles south of Suffolk.

Harris some months ago was deserted by Miss May Atkins, also after the nuptial permit had been bought, who married another man, Jodie Atkins. Harris still keeps the license as a souvenir. The only reason given by the bride for her action is that she loved Harris better.

CAPTURED IN WYOMING.
[Special to The Times-Dispatch.]
BIDSTOL, VA., February 10.—Charles I. Meade, charged with having murdered A. J. Porter in Scott county, Va., November 24, 1905, has been captured in Wyoming and is being held. A large reward for Meade was put up by the relatives of Porter, in bank at Gate City, and will be delivered to the man's captors.

The murder was the most revolting ever committed in the county. Porter was called to the door at night and fatally shot. The murderer then grappled with his wife, but she escaped. Failing to find her, the murderer returned to the room and fired two more shots into the prostrate body of her husband.

The meeting was presided over by Professor Savelley, of the United States Agricultural Department. Dr. Goodrich, of the Agricultural Department was here also, and made a very instructive address on crop rotation. The farmers appear very much interested in these meetings, and they anticipate that great good will result to them. A permanent organization was effected, and Mr. Roberts, of Fairfax county, was elected president. Vice-presidents were elected from Fairfax, Loudoun, Fauquier and Prince William counties. The executive committee is composed of Westwood Hutchison, J. J. Conner and S. C. Harley, of this county.

News of Petersburg

Times-Dispatch Bureau.
109 North Seminary street,
Petersburg, Va., February 10.
Charles A. Slaughter, who recently arrived in the United States from the office of City Treasurer, this afternoon withdrew from the field. It is understood that Mr. Slaughter has business engagements in view which will take him much away from the city. His withdrawal leaves two candidates in the field for the city treasurership—William E. Ramey, the incumbent of the office, and E. Gill Hinton, the latter representative of the younger element of the community, whose friends are making an active canvass for him.

Waived Examination.
When his case was called in the Court this morning, William Watkins, colored, held for the murder of Joseph Jones, also colored, on Sunday morning last, shortly after midnight, waived preliminary examination and was sent on to the February grand jury for indictment. Watkins has not yet secured counsel, but it is presumed his friends will look after his defense in due time. Watkins cut deep into Jones' neck with a pocket-knife, severing the main blood vessel and inflicting a wound which resulted in death from hemorrhages in a few minutes. His claims self-defense, and the testimony of witnesses secure in large measure to support that plea.

Work of Associated Charities.
The secretary of the Associated Charities of Petersburg, Rev. C. B. Richards, reports good work by the association during the month of January. By the timely distribution of fuel, provisions, clothing and other necessities, many worthy people were relieved and kept from suffering. The charitable people of the community have responded liberally to the request of the association for money and donations for the poor, and this has enabled the association to promptly do much relief work. At the meeting of the board of directors yesterday officers were elected, as follows: President, Thomas B. Cooper; Treasurer, Mrs. J. J. Nelms; General Secretary, Rev. E. B. Richards.

Three committees of five members each, to be known, respectively, as the red, white and blue committees, are to be appointed to canvass the city for membership in the Young Men's Christian Association. They start to work as soon as it shall be definitely settled upon the membership fee. Then will follow the grand effort to raise the fund to build and equip the new Young Men's Christian Association building.
